

# Instructions for Contributors of Prog. Theor. Phys. Suppl.

The proceedings will be published in two ways :

- (A) Supplement of Progress of Theoretical Physics and,
- (B) Online Journal of Progress of Theoretical Physics (Supplement).

- **Electronic Submission:**

We accept manuscripts submitted electronically in the form of LATEX files. We request these files be prepared with the PTPTEX style format. We also strongly encourage use of the template file. The necessary style files and instructions for PTPTEX as well as the template file are available at the following home page:

<http://www2.yukawa.kyoto-u.ac.jp/~ptpwww/>

Files should be submitted to

**proceedings@softmatter.jp**

If you will be unable to provide your manuscript as a latex file, please contact us ([proceedings@softmatter.jp](mailto:proceedings@softmatter.jp)) in advance.

- **Figures:**

For the author who wants to use color figures, please heed the following. Color figure(s) can be used only for (B) Online Journal. So, please prepare two versions of figures : color version for (B) and black and white version for (A) a Supplement of Progress of Theoretical Physics.

For detailed instructions to make figures, please read “**figures-guildline.pdf**”.

- **Author’s Proof:**

There is no Galley proofs for authors.

- **Reprints:**

Reprints are generally not made. Each corresponding author of papers can have a booklet of the proceedings issued as Progress Theoretical Physics Supplement without any fee.

- **Copyright:**

Copyright of an article submitted to Progress of Theoretical Physics is transferred to the Publication Office of Progress of Theoretical Physics when the article is published.

- **Permission for Reproduction of Published Materials:**

In the case that article(s), figures or tabular material are taken from other publications, copyright authorization is necessary.
